

**Updated COVID-19 Policy**  
**Effective Monday, October 4, 2021**

Consistent with our responsibility to provide and maintain a safe environment that is free of recognized hazards, Holy Mountain Franciscan Retreat Center/Graymoor Spiritual Life Center has adopted a *Mandatory COVID-19 Vaccination Policy*, for all adults 18 years of age, and older.

This policy is intended to safeguard the health and well-being of all Friars, employees, retreatants, and guests who live, visit, and work at Graymoor.

This policy is specific to the use of Saint Pius X/Retreat Center building, and all rooms and facilities therein, and extends to Saint Francis Chapel and Holy Spirit Chapel.

For the purposes of this policy, “fully vaccinated” is defined as the date which is at least 2 weeks after receiving the second dose of the Moderna or Pfizer vaccines, or 2 weeks after the one-shot Johnson & Johnson vaccine.

This policy may require that proof of vaccination be presented upon admittance to any or all of the above referenced facilities.
